## HOW WE GOT STARTED

Neeley's Towing & Recovery began in 1976 with one location, one tow truck and the goal of providing quality towing and recovery services while being customer service oriented and informative. We've found that new clients do not usually know what to expect when they need a tow or recovery job. Our knowledgeable and professionally trained staff takes time to explain how and why we tow certain vehicles in specific ways to ensure each vehicle gets the protection it deserves.

## ABOUT US

The Neeley family has used their entrepreneurial spirit to foster substantial growth in clientele as well as services.

After 45 years and two generations of sweat equity, Neeley's Towing & Recovery has built a staff of more than 20 professionally trained operators. We've also outfitted ourselves with the most technologically advanced equipment in the industry and are bonded and insured for any job.

## WHAT SETS US APART

Our reputation and rapid response time has earned more than the confidence of our clients, which include local and state police. We are also a trusted vendor for Peterbilt, Freightliner, and Mack dealers. On the light duty side, we are proud to be the preferred towing company for Chevrolet, Honda, Toyota, GMC, and Cadillac. Today, Neeley's Towing & Recovery handles between 250-300 jobs per week, steadily making us the largest and most reputable towing and recovery service in four states area.

The team at Neeley's Service Center are the towing and auto mechanic experts you can count on when it matters most. As a family owned and operated towing and recovery business, Neeley's offers not only heavy duty towing throughout the Arkansas, Louisiana, Texas, and Oklahoma area, but also light duty towing services, recovery services, heavy equipment transportation, tire services, and automotive diagnostics. Our fleet of over 40 tow trucks, road service vehicles, heavy haul lowboys, and support vehicles will travel anywhere, at any time, to assist you in a professional, affordable, and timely manner. We offer a 24/7 dispatch service.

## OUR MISSION

To serve our customers with quality products from a staff of knowledgeable people in a manner that honors God, our customers, our staff and the families that build the communities we serve.

## OUR HISTORY

Formerly known as Texarkana Tractor Company, River Valley Tractor was established in May 1992 by James "Judge" Carlow, David Meadows, and Brad Carlow. In 2019, the company underwent an official name change to River Valley Tractor.

James Carlow, affectionately known as "The Judge" in the local community, is not only a business owner and rancher, but also a lifelong resident of Bowie County. He enjoyed a successful political career, serving as County Judge for an impressive 29 years. Prior to that, from 1966 to 1986, James was involved in the dairy business and commercial cattle ranching, which his sons, Blake and Brad Carlow, currently manage. James married his wife, Nancy, in 1965, and together they have seen their family grow to include two daughters-in-law and six grandchildren.

The Carlow family legacy continues at River Valley Tractor, with Brad Carlow serving as the Chief Financial Officer (CFO) and Blake Carlow as the Kubota Division Manager. Following in their father's footsteps, both Brad and Blake are integral members of our Senior Management team. David Meadows, a lifetime friend and part-owner with the Carlow family, is an integral part of our team.

Presently, River Valley Tractor Corporation operates eight Kubota dealerships and three New Holland dealerships across eastern Texas and central Arkansas, totaling around 200 employees company wide. Our commitment lies in providing exceptional service to our customers, with dedicated parts, service, rental, and a sales departments always ready to assist. As we continue to thrive in the industry, our overarching goal remains to positively impact the lives of every person who walks through our doors. We aim to serve as a testament to the enduring power of friendship and family while staying true to our heritage and way of life, ensuring a lasting legacy for generations to come.

## ABOUT US

We pride ourselves on keeping Texarkana healthy and happy. Owner and chef, Chef K/Keeli Layne is passionate about providing organic and fresh food by creating nourishing recipes from scratch. Virgins Foods' meals never contain hydrogenated oils, preservatives, or refined sugars. We offer clean, whole foods meal preparation and will soon serve the community hot and ready nutritious meals through our new food truck! Now, you can ditch the drive-thru and eat a healthy and convenient meal.

## SERVING THE COMMUNITY

In addition to Virgin Foods, Keeli started the Virgin Mothers Program. This charity offers free postpartum meals and cooking classes to new mothers. Chef K has provided 11 meals for 32 moms and two bereaved dads—that's 374 meals that have been donated since December! Chef K also contributes to the

beautification of Texarkana—you can find many of her magnificent murals around town.

## HOW WE GOT STARTED

Just like the food we serve, Virgin Foods began organically. Keeli was working as a private chef prepping for local families. One day, she snapped a photo of one of the lunches she had prepared and posted it on Facebook with the caption, "A meal idea for your local Gym Rat." Messages began to pour into her inbox, asking Chef K to prep for them, and the phrase stuck. Thus, Virgin Foods was born.

## WHAT SETS US APART?

# TEXARKANA FUNERAL HOMES

*Our Families Serving Yours*

**OUR STORY**

Texarkana Funeral Home began in the days when the downtown area was the thriving heart of the city. The downtown Federal Building was only four years old and what we now know as the Perot Theater was referred to as the Saenger Theater. The year was 1939 and Howard Fuqua along with Harry L. Everett established Texarkana Funeral Home on 6th and Main Streets in the middle of the hustle and bustle of Downtown Texarkana. The staff worked hard, establishing a

reputation built on trust, resulting in more and more families choosing Texarkana Funeral Home to guide them through their time of need. December 1966, Texarkana Funeral Home opened a new larger facility on Texas Boulevard. Thomas H. Fuqua Jr. joined the team and with the help of Robert D. Cowley Jr., the Fuqua and Everett families continued to provide the area with sound advice and caring service at times of personal loss. Soon Texarkana Funeral Home became the largest funeral home in the four states region.
