Mission

At the Literacy Council, our mission is to use functional literacy education to empower learners to achieve academic success, develop life skills, and improve workforce competencies in the Texarkana region.

Giving Opportunities

We believe that anyone who is interested in the work we do has something to offer to our organization. We love volunteers who generously give their time teaching our students, helping with office tasks, or providing professional services for our organization. We also appreciate those who may not have time to volunteer, but they can provide financial resources by giving to our annual giving campaign (happening now through December 31),

by donating silent auction items for the annual spelling bee, and by purchasing supplies from our Amazon Wish List (a link is available on our website).

Fundraisers & Events

We believe everyone should be a lifelong learner, so we have new enrichment classes each semester to help all members of the community engage in educational opportunities. We are currently preparing for our spring semester, which will include free yoga classes, a book club, and arts and crafts, among other offerings. Additionally, our biggest fundraising event of the year is our spelling bee, which will be held in April and celebrates 30 years as a Texarkana tradition. This event includes a spelling bee, drawdown, and a silent auction.

Our mission is to share the love of Jesus Christ by providing life skills and risk avoidance education, along with life-affirming pregnancy services, in order to prevent or alleviate a lifestyle crisis.

Giving Opportunities

- For monetary donations, click the "Donate" tab on our website: pathwaytxk.org.

Impact

Pathway Resource Center created the Pathway Life Skills and Risk Avoidance workbook for middle-school age students and up in 2020. This medically accurate curriculum, based on scripture, addresses real-world issues youth are facing. It has been used by individual families and various groups, reaching over 250 students through Pathway volunteers, and distributing more than 1,200 copies.

In April of 2022, Pathway became affiliated with CareNet, a national evangelical pregnancy center accrediting organization, and opened a Christ-centered pregnancy resource center. This past year, we serviced over 150 clients. We offer all free services including pregnancy testing and verifications, ultrasounds, parenting classes, and a Baby Boutique where clients can redeem the points they earn for coming to class for needed baby items.

Pathway also hosts community Vacation Bible Schools. Over the past year, we have hosted four Bible schools at the Washington Community Center and one at the new Boys and Girls Club downtown. We have a Christmas event planned for early December.

Mission

We Are Washington is a community-based outreach program formed by the 501(c)(3) I Am A Hero, Inc. The program was founded to help unite the people of the community under the shared goal of investing in the lives of the youth of Texarkana, to help shape them into entrepreneurs and leaders who will eventually better the world in which they live. In the words of founder, Donald Reid, "The community owns Washington, so we are all Washington. You are Washington, your kids are Washington, the entire community is Washington." Our mission is to help those in the community improve their lives, as well as the lives of others, by bolstering awareness for both children and adults in need. We accomplish this mission by funding/supporting causes that meet the needs of those who call this community home by providing classes and programs, and hosting community events, Washington ensures that light is shed on the needs to be met in Texarkana and beyond.

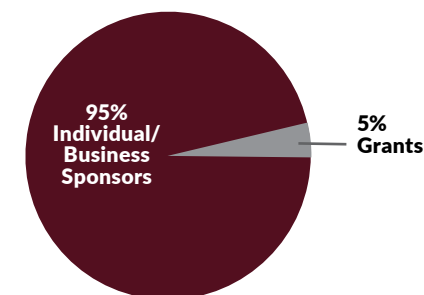

Giving Opportunities

The majority of donations contributed to Washington Community Development Center go toward the funding of the plethora of activities and classes conducted at the school. Since WCDC has classrooms and sports leagues where students learn new skills and participate in team sports, there is always a need for more supplies and equipment to assist in furthering the development of the future of our community—today's youth. To help support Washington's mission, you can visit wearewashington.org and click the "Support Us" tab, then scroll to the bottom of the page to find the "Donate" button. Also, information about how to volunteer your time at WCDC can be found on this same page.
