AUDIOLOGY & HEARING AIDS

Dr. Kelly Pack, AuD, and Staff
Professional Hearing Services

AUDIOLOGY & HEARING AIDS

Professional Hearing Services has long been a staple in the Texarkana community, and their commitment to exceptional care ensures they will continue to serve for many years to come.

Dr. Pack believes that hearing care goes beyond simply selling devices. By utilizing a technology called Real Ear Measurement Verification, she ensures that hearing aids are fitted accurately, resulting in beautifully clear and crisp sound. This approach allows patients to spend less time in follow-up care and more time connecting with their loved ones.

To meet the community's growing needs, Dr. Stephanie Winfield, AuD, joined the practice in

2022, bringing her expertise in cochlear implant fittings and tinnitus retraining therapy. This addition allows Professional Hearing Services to care for patients at various stages of their hearing journey.

Patient care is at the heart of the entire team. Their dedication has earned them numerous glowing testimonials, with patients praising their ability to meet hearing needs through exceptional care and personalized support.

AUTOMOTIVE REPAIR

Matt Blue and the BGG Team

Blue Gorilla Garage

Founded in November 2013, Blue Gorilla Garage began as a one-man operation when owner Matt Blue identified a growing need for automotive diesel expertise in Texarkana. With over 24 years of experience and multiple certifications, Matt's career as a dealership diesel technician laid the foundation for what has now become a trusted name in automotive repair. Blue Gorilla Garage currently services all mechanical repair needs, as well as preventative maintenance on all domestic brands such as, but not limited to, Ford, General Motors, and Dodge. Common services provided include brakes, timing chains, water pumps, air conditioning repairs, cooling

systems, suspension, transmissions, engines, and much more.

Over the years, Blue Gorilla Garage has expanded its team to include five skilled technicians and two service writers, creating a collaborative and efficient environment. "Working at Blue Gorilla has taught me not only the technical side of vehicle repairs but also the importance of teamwork, business ethics, and customer relations," says team member Dalton McMillan.

With a commitment to excellence, integrity, and decades of combined experience, Blue Gorilla Garage is dedicated to providing top-notch service to the Texarkana

community. In response to increasing demand for reliable, independent repair shops in the Ark-La-Tex area, Blue Gorilla is now preparing to expand its facility. This growth will enable the team to serve customers more efficiently while maintaining the high level of service that has made them a local favorite. As they look to the future, Blue Gorilla Garage takes pride in its loyal customer base and is excited to continue serving the community for many years to come.

CHEFFING, CATERING, & CLASSES

Jeff Loving
Chef on the Run

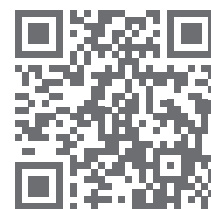

Chef Jeffrey Loving, affectionately known as “Cheffrey,” has owned Chef on the Run since 2009 and boasts over 30 years of experience in the culinary world. For the past two decades, he has made a name for himself as a leading caterer and private chef in the Four States area, challenging the status quo with his inventive approach to food.

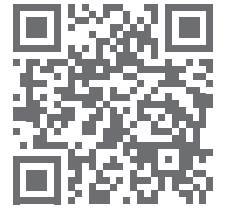

At a time when traditional Southern cuisine dominated, Cheffrey set a new benchmark by pushing creative boundaries, turning his dishes into culinary art. His pioneering spirit has not only redefined Texarkana’s food scene but also inspired future generations of chefs in the community. Specializing in personalized catering for weddings, birthdays, and private dinners, Cheffrey crafts custom menus tailored to each occasion. He also shares his love for cooking through classes for both adults and children, igniting a passion for the culinary arts.

You can find him at Silvermoon’s Kitchen in historic downtown Texarkana, where he continues to serve food enthusiasts and those eager to expand their palates in a fun and inviting setting.

Beyond his remarkable expertise, Cheffrey’s true passion lies in giving back to his community. His involvement extends far beyond his business, reflecting his deep-rooted belief in building connections and inspiring others to make a positive impact.

CHRISTMAS LIGHT INSTALLATION

Brandon Gray, Robby Darby, & Meredith Witten
The Light Guys Installers

The Light Guys started in 2019 when three Texarkana natives saw a need for better lighting solutions and decided to do something about it. Their goal was simple: improve the safety, efficiency, and quality of lighting in the area. Since then, The Light Guys has become a trusted name for holiday lighting, offering seasonal and year-round lighting options.

Robby Darby, a Texas High School graduate, and his fiancée Haylee have two daughters, Presley and Caroline. Brandon Gray, a New Boston graduate, and his wife Courtney are parents to Landon, Jaxon, and Anna Claire. Meredith Witten, a Pleasant Grove graduate, and her husband Jared have two children, Lane and Maddux. Together, these families form the heart of The Light Guys, making each project a true family effort.

During the holiday season, The Light Guys transform homes and businesses with stunning Christmas displays. Whether you're envisioning classic, elegant lights or something more vibrant

and colorful, their team delivers high-quality results. They specialize in lighting installations on bushes, rooflines, pillars, railings, windows, door frames, street lamps, and architectural features—no project is too big or too small.

Once the season wraps up, The Light Guys also provides efficient light removal services, ensuring that your lights are safely taken down, packed, and stored. Their secure storage option keeps your lights safe and ready for the following year.

As they prepare for their sixth season, The Light Guys remain committed to offering safe, efficient, and high-quality lighting services. From installation to storage, they've got your holiday lighting covered—so you can sit back, relax, and enjoy the season.

EARLY EDUCATION

Makayla Gainey & Amanda Gainey Learning Station Child Development Center

The Learning Station Child Development Center, owned by Amanda Gainey, is a locally operated preschool with locations in Texarkana and Fouke, Arkansas, and a third facility under construction in Genoa, Arkansas. Known for its faith-based learning approach, Learning Station emphasizes a growth mindset and strong character development, offering both preschool and afterschool care.

The center uses the Abeka Christian Curriculum to provide children with an engaging, age-appropriate academic experience that includes phonics, art, and Bible lessons. This curriculum encourages early academic success while fostering the children's God-given gifts. Learning Station's nurturing environment is designed to help students grow spiritually, emotionally, and intellectually. Beyond

academics, children are taught the importance of loving others and living as Christ-like leaders.

Under Amanda Gainey's leadership, the dedicated and highly trained staff ensures each child receives individualized care and support, promoting their unique talents and helping them thrive. Families seeking a well-rounded, faith-driven education will find Learning Station to be a place where their children are both challenged and cherished.

FAMILY DENTISTRY

Owners Drs. Adriane & Jim
Lippian with Dr. Emily Markle
Lippian Family Dentistry

Lippian Family Dentistry is redefining the modern dental experience, offering something better and different from what many have seen in the past. Drs. Lippian, along with Dr. Emily Markle and their highly trained team, provide Texarkana and the surrounding areas with exceptional dental care in a state-of-the-art facility grounded in kindness and understanding. Conveniently located on Gibson Lane, their office is easily accessible from I-30 and offers a full range of treatments.

Their team prioritizes patient collaboration, ensuring you are fully informed of your treatment options, along with the advantages and disadvantages, so that you can make confident decisions about your care. They prioritize meaningful discussions to create a personalized treatment

plan that addresses your unique needs, risk factors, and dental concerns rather than just offering a one-size-fits-all solution.

In addition to their personalized approach, the practice incorporates the latest dental technology. This includes cone beam imaging for precise implant placement, digital scanners for impressions, laser gum therapy for bleeding gums, and saliva testing to identify oral bacteria with potential systemic effects. For patients pressed for time, they even offer same-day crowns. All of this is delivered in a warm, welcoming environment to ensure comfort for patients.

With nearly 19 years of experience, Lippian Family Dentistry has listened to patient feedback and tailored its services to meet their needs. For those

who experience anxiety or tension during dental visits, they offer a variety of comfort options, including weighted or fleece blankets, anxiety-relieving stress balls, and noise-canceling headphones. Their use of the DentalVibe—a vibration handpiece—helps make the numbing process more pleasant.

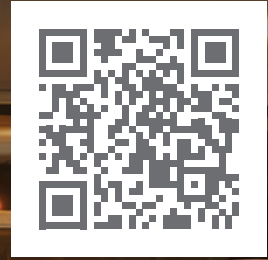

From the moment patients are greeted to the time they check out, the team at Lippian Family Dentistry is committed to creating a memorable and pleasant experience, one that changes the way you view dental care. Let them help you enhance your smile and dental health today.

FUNERAL HOMES

Our Families Serving Yours

Texarkana Funeral Homes

Texarkana Funeral Home has been a trusted part of the Texarkana community since 1939. From their original downtown location, they have grown to become the largest funeral service provider in the Four States Region. With seven funeral homes and over 100 dedicated staff members, Texarkana Funeral Home has built a reputation for compassion, trust, and professionalism. They offer a comprehensive range of services, including traditional burials and cremations, to support families during their most difficult times.

Whether a family chooses burial or cremation, the staff at Texarkana Funeral Home understands the importance of having a funeral service. Funerals provide a crucial opportunity for families to process grief, say their final goodbyes, and celebrate the life and legacy of their loved ones. Funeral ceremonies bring comfort and support by gathering friends and family together, reminding those in mourning that they are not alone. Through burial or cremation, the emotional closure and reflection offered by funeral

services are essential to finding peace and healing during the grieving process.

Guided by the principle, "Our Families Serving Yours," Texarkana Funeral Home remains dedicated to being the premier provider of funeral services in the region.

INTEGRATED HEALTH

Theresa Fontenot Hebert, PA-C, with ReNew Clinical Team
 ReNew Integrated Medical Spa

Since 2008, ReNew Integrated Medical Spa has been the trusted leader in functional, aesthetic, and wellness medicine in Texarkana. They believe that true health and beauty start from within. ReNew's approach is tailored for patients tired of hearing "everything looks fine" from traditional doctors and are searching for answers to the root causes of their symptoms. The clinic goes beyond treating symptoms, focusing on understanding the whole body and considering factors such as genetics, environment, lifestyle, and nutrition.

ReNew specializes in balancing and optimizing hormones at any age, offering a variety of treatments, including BioTE Hormone Replacement Therapy. Whether patients are struggling with unexplained fatigue, weight gain, or hormonal imbalances, ReNew creates personalized treatment plans to help them regain vitality. For those seeking effective and safe medical weight loss, they provide solutions that focus not just on losing weight but also on preserving muscle mass, helping to avoid the dreaded "Ozempic face and body." With their recent addition of EmFace and EmSculpt Neo, they also focus on preserving muscle mass and tightening skin for comprehensive aesthetic care.

Led by owner Theresa Fontenot Hebert, PA-C, ReNew's team is the most experienced in Texarkana, having administered over 600,000 units of Botox and Dysport and more than 4,500 syringes of dermal filler. Additionally, ReNew boasts the largest offering of lasers and procedures in Texarkana, ensuring patients have access to the latest and most effective treatments.

The clinic offers an alternative approach to traditional, reactive medicine, with services including injectable treatments, laser resurfacing, lifestyle coaching, and more—all within a comfortable, rejuvenating environment. ReNew Integrated Medical Spa remains at the forefront of medical advancements, offering personalized care that blends beauty and wellness. They are dedicated to helping patients who are ready to address their health concerns at the root and look beyond merely treating symptoms.

JEWELRY

Diane Cooper

Cooper Fine Jewelers

In the sparkling world of fine jewelry, Diane Cooper shines as a passionate gemologist and dedicated matriarch. With over twenty years at Cooper Fine Jewelers, her career is a testament to her commitment to excellence, both in her professional and personal life. Diane's love for jewelry goes beyond gemstones—it's about celebrating life's most precious moments. Whether searching the globe for unique pieces or assisting clients in her beloved Texarkana, her goal is always to create something truly memorable.

Diane balances her role as the heart of Cooper Fine Jewelers with being a mother to three daughters and a proud grandmother to six grandchildren, affectionately known as "Gigi." Her warmth and dedication extend to each client interaction, making everyone feel valued. From finding the perfect engagement ring to curating custom pieces, Diane goes above and beyond to ensure her clients' special occasions are commemorated with the utmost care.

Her family's legacy in the jewelry business began in 1946 when Mr. Tuck opened Parks Trophy & Fine Jewelry in Texarkana. Over the years, it evolved under the guidance of Diane's father, Bill Mulvany, who transformed it into Parks Diamond Jewelers. By 1976, Diane was already contributing to the business, selling class rings after school and on weekends—a glimpse into her future as a driving force behind the family brand.

In 2015, the company rebranded as Cooper Fine Jewelers, named in honor of Diane's grandson, Cooper Grayson Stone. Now in its third generation, the business continues its legacy of outstanding service and craftsmanship. At Cooper's, family is the foundation, and every client is treated with the same care and respect that has made the business a Texarkana treasure for over 70 years.
