

# RED RIVER SANCTUARY

BY ALANA MOREL

Nestled near the Red River in Foreman, Arkansas, this family lodge is a beautifully crafted haven, blending rustic elegance and the simplicity of nature. Purchased in 2000, the property has evolved from a row crop farm into a flourishing ranch with cattle operations and an orchard of native pecan trees.

The lodge, with its rich wood accents, stonework, and open beams, reflects the land's rugged beauty. Expansive windows invite the outdoors in, offering sweeping views of the lake and surrounding landscape. Inside, cozy fireplaces and generous gathering spaces create the perfect ambiance for family moments, whether they are hunting, enjoying holidays, or simply savoring the tranquility. It is a place where the family connects with nature and each other, season after season. ①
